Blogroll Addition

To all my readers, both ladies and gentleman, I present you the newest addition to my blogroll:

If The Shoe Doesn't Fit

A new site dedicated solely to the buying, selling and even swapping of shoes! Much like the eBay idea, but without all the hassle of a million fees and sifting through a ton of stuff. While the site is still relatively small, it has a lot of room to grow and be great! The greatest thing about it is this new idea of trading your shoes, how cool is that! As the site says, "When you are tired of your Gucci's, you can trade for Prada's!!"

Enjoy,

The Shoe Snob

WHY?

Because where else can you find an information source that not only provides a pure dedication of showing you the latest and greatest men's high-end shoes but also dabbles in providing more sound, technical information such as shoe construction?
