DAMAGE CONTROL: If the Shoe Doesn't Fit

Do you wait too long to decide that a pair of shoes is not for you? It's common to suffer **buyer's remorse** after wearing a style once, or letting the allotted days for return dwindle while they hang out in your closet. If you, like many, deal with this issue **IfTheShoeDoesn'tFit.com** could be a useful tool.

Get started by creating an account to upload pictures and descriptions of the shoes you'd like to pass on. The seller can choose a **fixed price format** or an **auction format**, so you decide which method is better for your particular pair. The inventory consists of new, delicately used and vintage footwear and the site is updated daily with new styles. The categories are conveniently marked for easy shopping and reference. Whether you're looking to free yourself of an unwanted pair, or scoop up a fresh style at a reasonable price, this is a good place to look.
